What is he/she/it good at? Why do you like him/her/it? Please write in at least 30 words.

My favourite fairy tale character is the prince from the cinderella. He looks handsome. He can help people that is what he's good at. I like him because he is very kind to Cinderella and the other people. Such as he brings the glass shoe and let every ladies to try it. Even though he knows Cinderella's stepmother doesn't let her to try the glass shoe, the prince did not get angry to Cinderella's stepmother.
