Who is your favourite fairy tale character? What would you like to say to your favourite character? Please write a letter to him/her/it in at least 60 words.

Dear Mr. Ugly Duckling,

How have you been and where have you been travelling to with your friends?

I truly hope and trust that you are living a beautiful life now after you have been through those hardships in your childhood.

Do you know how inspiring and encouraging your story is? I am a p3 student. After reading your story, I find my way to be a better person.

Be thankful, you have thanked for not having been bitten by a hunting dog because of your ugly appearance, your heart is being thankful all the time, thereupon, I have known that we need to be thankful for everything we have.

Be confident, life comes with many challenges; however we should never give up. When we are trapped, we should not ^{lose} lost our confidence but believe in ourselves we can be successful in the future.

Be considerate, we should treat people fairly and respectfully.

Do not tease or laugh at ^{one} each other among families and friends.

I truly thank for having the chance to know you ~~and~~ your story really makes me to be a better person and know how to treasure what we have.

I am eager to know your life recently. Look forward to your reply.

Your sincerely,

Jayden Wong
