Who is your favourite fairy tale character? What would you like to say to your favourite character? Please write a letter to him/her/it in at least 60 words.

Dear Beast,

How are you? I got your letter and I know your self-esteem is low these days. You don't like your rough, long, winding horn and your dirty, long, sharp, black finger nails. Also, you don't like your hairy body. Your first impression to people is ugly so you are upset. Actually, it is very shallow because one's characteristics and manners are more important than appearance.

I love how beautiful you are inside because inner beauty is the most important thing for one's whole-person development. Meanwhile, you have many good qualities that I need to learn from you. Firstly, you are hard-working, you plant roses with your heart. Secondly, you are very generous, you always shares your food with others and invite people to your castle for a vacation. Thirdly, you are very honest, you never tell lies. Moreover, you are a helpful and friendly person. You are loving and kind to people. Furthermore, you are polite. You always say, 'Thank you.'

Finally, you are very courageous. Although the witch changed you into a beast, you are still brave enough to continue on living and never give up. I admire you. I think a kind person must have a good ending.

I have an advice for you. If you become tidy and clean, you will have a lot of friends.

I am looking forward to receiving your reply soon.

Your sincerely,

Tommy Chan
