Favourite Of The Month

My favourite book is called *Mr. Tall*. The author is called Roger Hargreaves. Mr. Tall is very, very, very tall. He can't go swimming in the water because he is too tall. This makes him feel very sad. Mr. Tickle wants to tickle Mr. Tall. Mr. Tall says "no thanks." Mr. Greedy eats lots of food. Mr. Tall decided to walk home forty miles but it only takes him four minutes because his legs are so long.

Favourite Of The Month

My book is called *Kipper and the Giant*. The giant is very angry. The giant lives in the castle near the village. The village people are small but the giant is big. Kipper is a boy who is bigger than the giant. The giant is on holiday. At the end, the giant is good to the village people. Kipper tells the giant he can't be angry towards the village people. This book tells us we should always be nice to each other.

CHALLENGING

It means difficult in an interesting or enjoyable way. Mum always says I am too shy, not brave enough. therefore I should do something more challenging.

Lunchtime in the Garden

In our P1 English lessons with Miss Rebecca, we have been reading an e-book called *Lunchtime in the Garden*. It is about some hungry animals. The bird says to the spider, "Spider you look beautiful today." But the bird is just tricking the spider. He only wants to eat him! The cat is under the tree and wants to eat the bird. Then a dog comes along and says "WOOF!" and scares all the animals away, but he only wants to eat his bone!

YLMPs CELEBRATES ITS 15TH BIRTHDAY!

On the 20th and 21st April, our school celebrated its 15th anniversary! We had an Open Day of the school and there was lots of exciting activities in the English room. Some students and members of the English Ambassador Team volunteered in the English room.

We played English games with the kindergarten students, such as "Alphabet makes it fun".

We talked with parents and told them about our lessons and extra-curricular activities. We showed them around the English room.

The kindergarten students could play on different apps on the iPads. They had lots of fun.

Miss Rebecca, Miss Aimee and Miss Caroline taught an interactive lesson. The students read an e-book, played games and held puppets.

Backstage at the celebrations

Shelby (4B), Kalinda (4E) and Kathleen (4E) took part in the 15th anniversary celebration as dancing angels in the performance.

We had the chance to talk to them about their experience!

We were dancing angels in the anniversary performance. We put make up on and dressed up in different costumes. We liked it very much.

Our favourite part of the performance was part two when we were the angels and held the crystal balls.

We practiced every day for many weeks. We felt very tired. We were very hot dancing but we were so happy! The experience was enjoyable.

WE TRIED TO TEACH MISS AIMEE THE DANCE!
